Thanks.

Anyway we can re-do the last December invoice to include the medical for both BID's? It would be great to have it booked under 2015 and not 2016. If not, maybe a supplemental invoice?

Also, I had the insurance not being billed back beginning the month of October.

Here you go.

I also just realized that we have not billed for medical since August so once I receive the reports I will add them to the billing. Please let me know if you want me to spread it out over a few weeks or if it is ok to do all of it in the same week.

Thanks

Yvonne
